A squirrel looked at a sophomore. Then his mother's gaze did meet. "Yes, my darling," said the mother, "But that's not the kind we eat."

"Kind Lady," chosen as the senior play for this year is a psychological melo-drama. The plot of the play shows how a dignified and aristocratic middle-aged woman, living quietly in her London home is gradually surrounded by a family of diabolically clever crooks who by ingenious plotting alienate her family and friends from her, practically convince the outside that the "Kind Lady" is hopelessly insane. She herself, too, toward the end becomes almost convinced of this fact.

As the exciting mystery surrounding her life and actions becomes intensified the suspense brooding over the house takes on the most dramatic proportions. Up to the end it looks as though the "Kind Lady" were doomed to lose her entire property, but her sanity as well, when with a supreme effort of courage and skill she manages to convey word to the outside world of the true situation. The play is an intensely exciting drama.

We had our pictures taken; we did, but they should have been taken first thing, for the knowledge we acquired through the day drove all our sunny smiles away.

# SENIORS

Be nonchalant when:

1. you discover you've made two dates for the same night,
2. the teacher takes the homework for a test and you discover that you're kid brother has carefully erased the answers,
3. you discover that you've locked your keys in the car and your date is due home in 10 minutes,
4. you're reciting memory work for English and your mind becomes a BLANK,
5. you break a date with a Dog (because you have a headache) to go out with a Doll to the movies. Sitting next to you is the Dog,
6. YOU ARE TYPING MADLY ALONG WHEN YOU DISCOVER THAT THE SHIFT KEY IS PUSHED DOWN.

1900-1959: Times Change

1900-I'm sorry, but I cannot go with you this evening. I have a previous engagement.  
1959-Go away, dead beat, you cramp my style.

1900-Good evening, Mrs. Jones. Is Kathy ready?  
1959-(HONK, HONK!)

1900-May I Have the pleasure of this dance?  
1959-Hey, Kid, how'd you like to drag?

1900-Won't you let me drive you home?  
1959-Hop into the rod and we'll drag town.

1900-You dance like an angel.  
1959-Hot Zing, you're right in the groove, Baby!

1900- You dance so slow.  
1959-C'mon baby, get the lead out!

#### Seven Easy Ways to Start School

1. Come dragging in five or ten minutes late for class. It adds variety to the class by having new faces appear at the door.
2. Chew gum constantly to keep a rhythmic flow of sound waves vibrating through the air.
3. Watch the clock constantly with that look of "when do we get out of here" on your face; after all you don't have all day, you're in a big hurry.
4. Talk to everybody around you to let them know you are the friendly type.
5. Don't hand in your work on time, because your teacher has enough papers to grade at one time without yours.
6. If you wake up in the morning and feel too tired to go to school, because of loss of sleep from that slumber party last night (or late nights at the Shuffle Shop) don't go. After all, sleep is more important than free education.
7. Don't bother to make up your work, just let by-gones be by-gones.

If you practice these seven rules faithfully, we guarantee that your name will be at the top of the list; the expelled list, that is.

Things underclassmen boys should know:

1. How to dance.
2. Policemen now have "S" license plates.
3. How to ask for a date.
4. Twirp week is over and the girls are waiting!
5. Senior girls have driver's licenses and are on the loose.

Things underclassmen girls should know:

1. Leap year is over.
2. How to wear Revlon's Vivid Red.
3. Sack dresses are all the rage (in the East)
4. All about cars.
5. Boys are scarce in Wa-Hi
6. Boys turn out in the gym 6th period.
7. Never hitch a ride after school.

I study, I work, I wrack my brain,  
I worship my teacher, and what do I gain?

I do all my homework, At essays I strain,  
I am the responsible kind, and what do I gain?

I turn all my work in, I make suggestions inane,  
I try to please everybody, and what do I gain?

I sit quietly in class, I suffer in pain,  
At home I cry in my milk, and what do I gain? A "C"!

Algebra Psalm

He is my teacher; I shall not pass.  
He maketh me go to the board.  
He compelleth me to work difficult problems.  
He maketh me sit down for class sake.  
Yea, though I study on till midnight I gain no knowledge.  
For my formulas sorely bother me.  
He giveth me an "F"  
Surely factors and radical shall follow me all the days of  
my life.  
And I shall dwell in algebra class forever.

Teacher: When I was your age,  
I could name all the  
states in order.  
Wise Guy: But there were only  
13 then.

At Christmas time we're thankful for,  
Having time to lie and snore,  
There's no more crowding at the door,  
To get out for lunch.

All presents bright and gay,  
We'll have lots of time to play,  
And everyone comes up to say,  
"Who ya takin' to the New Years Dance?"

Trees all smelly and sprucey green,  
Little brothers are not mean,  
Everybody can be seen,  
Wearing Argyle socks.

So Merry Christmas is the call,  
We hope each other will have a ball,  
And now we have to wreck it all,  
By saying, "Don't forget to come back for exams;  
The teachers are waiting for you!"

### Chemistry Blues

Sing a song of sulphur,  
 Beaker full of lime,  
 Four and twenty test tubes  
 Breaking all the time,  
 When the cork is lifted  
 The fumes begin to reek,  
 Isn't it an awful mess to clean  
 up once a week?

### Exams-

The exams are over,  
 Boy, what a pain,  
 Mother was buggy,  
 I went insane.

My teachers were jumpy,  
 The time it flew,  
 No place to study,  
 I flunked out, too!

### Teachers Say:

1. This is not very important
2. This assignment is not difficult in the least. You should not have any trouble with it.
3. All right, Little One, what is the problem?
4. Do you have an excuse for your absence?
5. This school is your school, and we know that you want to keep it in good condition.
6. You get less credit for work handed in late.
7. Many of you will want to go to college.

### Teachers Mean:

1. It will be a test question.
2. You are probably too dumb to understand it.
3. Hurry up! I haven't got all day!
4. Can you prove you didn't hook out?
5. Just wait until we find out who carved on the desks.
6. It is easier to throw the papers into the basket all at once.
7. Many of you will never leave Wa-Hi.

Now I lay me down to sleep,  
 The teacher's dull, the subject's deep,  
 If he should quit before I wake,  
 Give me a poke, for Goodness sake!

 Vault- father's wallet  
 Wolves- Wa-Hi men  
 X-Ray- Locker Inspection  
 Youngsters- class below you  
 Zero- what this article is worth

Little white cards with little black lines,  
 Then lots of ink marks to different kinds.  
 The recipients will gripe, a few will smile,  
 While others will beat their heads on the tile.  
 They appear at regular intervals, each nine weeks,  
 And on these days sympathy we seek.

Students Prayer

Onward, move onward  
 O time in thy flight,  
 Make the bell ring  
 Before I recite.

1. You shouldn't talk back to your teachers, yell back instead. It attracts more attention!
2. You shouldn't wear your hair so long that the boy sitting in back of you can't find his pencil.
3. You shouldn't paint pictures of your teachers. Get some white wash and paint the teacher instead.
4. You shouldn't chew gum in school. Candy is messier and the wrappers make more noise.
5. You shouldn't throw out spit balls. Throw wastepaper baskets; they are more fatal.
6. You shouldn't steal tranquilizers from the nurse's office.
7. You shouldn't forge hall passes. Get an old one out of the wastebasket.
8. You shouldn't chase girls. Get a convertible and they'll chase you.
9. You shouldn't throw paper in the wastepaper basket. Throw it on the lawn, it is much more decorative.
10. You shouldn't come to us if you get in trouble for reading this.

I serve a purpose in this school,  
 On which no one can frown.  
 I always go to every class  
 To keep the average down.

# BOYS' FED.

# HOME COMING

Wa-Hi started Homecoming off with an action packed "Hot Wheels" race around the science building. Tuesday was the annual Greaser Day, look-alike, among this was a root beer guzzling contest, a hula hoop contest, Ski-Jump across the raging yellow-hawk.

The girls' flag football game this year featured the Senior Superstars against Harvey's Hurricanes. Homecoming week was brought to a close with a blue and white contest, then came the pep assembly when the royalty was named.

Then the Devils attempted to march the Cadets out on their knees. Half-time was presented by the ROTC Dept., Flag Swingers, and the Wa-Hi Band. Bringing this fantastic week to an end was the Big Dance, the theme was "Could it be Magic" with music by "Star".

Basketball players are not all tall and awkward. In fact, if you take a look at some of them, you will notice that a lot of them are not over 6 ft. tall. But whose counting? If you are dating one, it does tend to make you look up to him. (Pardon the pun) Know their lingo! That is a must, for if you are "dribbling" over him, you're a "basket" case!

#### Football Glossary

**Football-** A game played between two 11-man teams of 50 players each.

**Quarterback-** Player who stands in the middle to be smashed flat on the ground.

**Ineligible-** Said of a player who can run and kick, but can't catch.

**End Zone-** Where football players are patted after a good play.

**Backer Up-** Wealthy Alumnus willing to pay a star player's expenses through school.

**Man-in-motion-** the jerk in front of you who jumps up to his feet every other play.

**Over-Emphasis-** What is done by teachers on homework if football players are not doing it.

**Goal Post-** An H-shaped formation of wood, used to drape toilet paper on and to hang wax effigies of losing coaches from.

**Mouse Trap-** Parking lot you attempt to get out of after the game.

Contrary to rumors spread by "jilted" women, boys who engage in contact sports are not that way all the time. They do, however, like to "fumble" or get "back fields in motion" every now and then. So if a football player asks you, get into a "Huddle." Let him make a "pass" or until an "illegal motion."

Remember girls, you need to know the language of wrestlers if you are dating one. First, never on the first date let him get you into a "hold." This will cause you to lose your cool and you will attempt a "reversal." Unwise, girl that you are! If you try one of those on a wrestler, you are asking for it. He will get you into a "pin." You are lost.

The 1975 Blue Devils, in a building year under new head coach Blaine Bennett, compiled a season record of 5 wins and 4 losses, finishing 4th in the tough Big 9 Conference.

The Devils played a new, exciting brand of football, with an attacking defense and a "pro-offense," excitement and enthusiasm ran high among players, students, and local fans. Playing before overflowing crowds at Borleske, the Devils won their first 3 games. An aggressive "Thunderbolt Defense" added the margin for victory with pass interceptions, fumble recoveries and scores that set new defensive records at Wa-Hi. The halls echoed cries of "We're Number One"-the Devils rolled!

However, league leaders Richland and Wenatchee up-ended Wa-Hi's chances of being a title contender and a frustrating Homecoming loss to Eisenhower with no time on the clock, evened Walla Walls' record at 3-3.

After a win against Eastmont and a loss to play-off bound Kamiakin, the Blue Devils prepared for their last game against Moses Lake. Fifteen seniors and their parents were honored at this final game and the "new" Devils ended their season with a respectable 5-4 season.

With 30 juniors and a solid sophomore team, the "Blue Devils" are looking forward with great anticipation to the 1976 season.

Because of the problems of learning both a new offense and a new defense, this year's junior varsity got off to a very slow start. However, as the season progressed, so did the team, as evidenced by the fact they closed out the season with two wins.

## CROSS COUNTRY '75

Wa-Hi's 1975 Cross Country team "The Big Blue Bunch" started the season with a roaring note and high hopes as they defeated Richland and Kamiakin, last years District champion and runnerup. An early season loss of Todd Flanik with a back injury and the loss of other key runners with illness plagued Wa-Hi's "5 deep" team all year. Despite the ups and downs, they managed to beat every team in the league except District champion Davis.

The 1975-76 Basketball team at Wa-Hi started very slowly. The slow start was prompted by the introduction of an entirely new system. Many players had to completely change their style of play, and adapt to a more disciplined style. In adapting to the change, the pre-season and conference play progressed to a rather mediocre 6th place tie with Davis, and a record of 8 wins and 12 losses. Eventually, the 6th place tie enabled the Blue Devils to advance to the Class AAA Basketball Tournament.

The road was not an easy one. Highlighted by a big win over predominantly powerful Richland, the Blue Devils battled through District play via the backdoor. With dedication and hard work, the team scrambled to

an 8th place finish in the State Tourney with wins over Lewis & Clark and Mountlake Terrace. Furthermore, the team established an unprecedented tournament record in becoming the only team in the entire 50-year history to win a trophy with a losing record (14-15).

In conclusion, Joe Karp, Jim Meredith and I would like to thank every player of the entire basketball program for their patience and hard work. And from the coaches and players, we deeply appreciate the support given us from the administration, athletic director, other coaches, and the entire Wa-Hi student body, and faculty.

Sophomore basketball 1975-76 was a very rewarding season for players and coaches alike. Our "Super Sophs" completed a 20 game schedule with a 15-5 win-loss record; beating every team in the Big Nine at least once with the exception of Richland. Probably more important than the fine win-loss record the Sophs recorded was the excellent team morale and dedication to the game of basketball that flourished throughout the season. These young men, with continued hard work will make varsity basketball at Wa-Hi a certain pleasure to observe in years to come.

### WHAT ARE YOU WAITING FOR?

The high hopes with which the 1975-76 Varsity wrestlers began their season were completely justified. Thirteen returning lettermen, four regional qualifiers, and two state returnees seemed a solid nucleus around which to build a championship caliber team. As the record shows, however, this was not to be.

Injuries; more than one senior letterman in one weight class, in more than one case; that winning wrestler named forfeit at 108 pounds; and of course, stiff competition are all excuses for the record. Yet these Blue Devils need no excuses. The painfully hard work, the weeks of self denial, and the unselfish devotion to their teammates, leave this group the quiet dignity of any true champion.

For seniors John Davin, Tom Snell, Morie Smith, Ron Klicker, Butch Clark, Steve Bennett, Karl Hedine, Tom Breit, Randy Thiessen, Scott Hagerty, Mike Meyer, and Manager Ron Southern, it is the end of the High School wrestling trail. The determination, dedication, self confidence, and pride which they have shown in their pursuit of wrestling success gives all who know them confidence that they will succeed in their future educational, athletic, and vocational ventures.

### THEY WILL BE MISSED.

For the Underclassmen, the future is NOW. Every second of every day is an opportunity to improve. It is you who will be the 1975-76 Blue Devil Wrestlers. It will be your sweat and your pride in the center circle.

Girls' Volleyball had an outstanding season this year. Having earned a first place in league competition, the girls went into District playoffs number one in their division. They took the first place trophy in District, and

earned a berth to State playoffs with a record of 12 wins and no losses. State competition was rugged with the Blue Devils losing their first match to Renton. The girls played what was probably their best game of the season

defeating Battleground in the second match. In the third session of the evening, the Blue Devil girls lost to Mount Lake Terrace, finishing the season with a respectable tenth place in the state of Washington.

Girls' Basketball got off to a good start this year with a five game winning streak. They finished league in a 3-way tie for first place with a record of 9 wins and 1 loss. District playoffs held Wa-Hi in second place. Regionals were tough, but the Devil girls came through in first place, earning the much sought-after right to compete at Tacoma for the State title.

The championship games featured Wa-Hi against Everett, a previously undefeated team, and Bellevue against Sammamish. The girls defeated Everett by 3 points with an outstanding defensive game. Wa-Hi lost to Sammamish in the final game, finishing with an 18-5 record, and second in the State of Washington—for the second year in a row. Consistency counts.

Equites brings Whitman talent-  
 Everything from China to Dixie was  
 featured in the band assembly made up of  
 students from Whitman yesterday.

These boys played "Dixie Land Jazz"  
 made up of, "Basin Street Blues Blues,"  
 their version of "How High the Moon,"  
 and "Way Down Yonder in New Orleans."

During the break for the band members  
 the master of ceremonies showed the  
 audience two Chinese tricks. Chinese magic  
 wands which had strings on them that  
 pulled up and down alternately, and light  
 rings which he put together.

Gimmel Teth Plans Tea-  
 Tonight after school, Gimmel Teth will  
 have their annual Christmas tea. All  
 members of the Wa-Hi faculty and all club  
 presidents have been invited.

The tea will be held in the Girl's Lounge  
 which will be decorated according to the  
 Christmas theme.

Committee chairmen for the party have  
 been Marlene Hagen, refreshments; Shari  
 Corkrum, decorations; and Nancy Powers,  
 entertainment.

There was a young member of Crest,  
 Who from the meetings she did rest,  
 She blew her big chance,  
 To go to the dance,  
 And now she knows which club is the best!

These were the members of Hi-Y, 1930-1931. Back then, Hi-Y was the equivalent to our F.D. Hi-Y. (photo courtesy of Mr. Maxson, journal advisor.)

As we complete this final page of our '76 ROYAL BLUE, we realize that without the help of many people it would not be the yearbook that we wish to present to Walla Walla High School. We are indebted to the following people:

Dale Quincy, Pischel Representative

Brad Lorang, Art work

Marty Hui, Photography

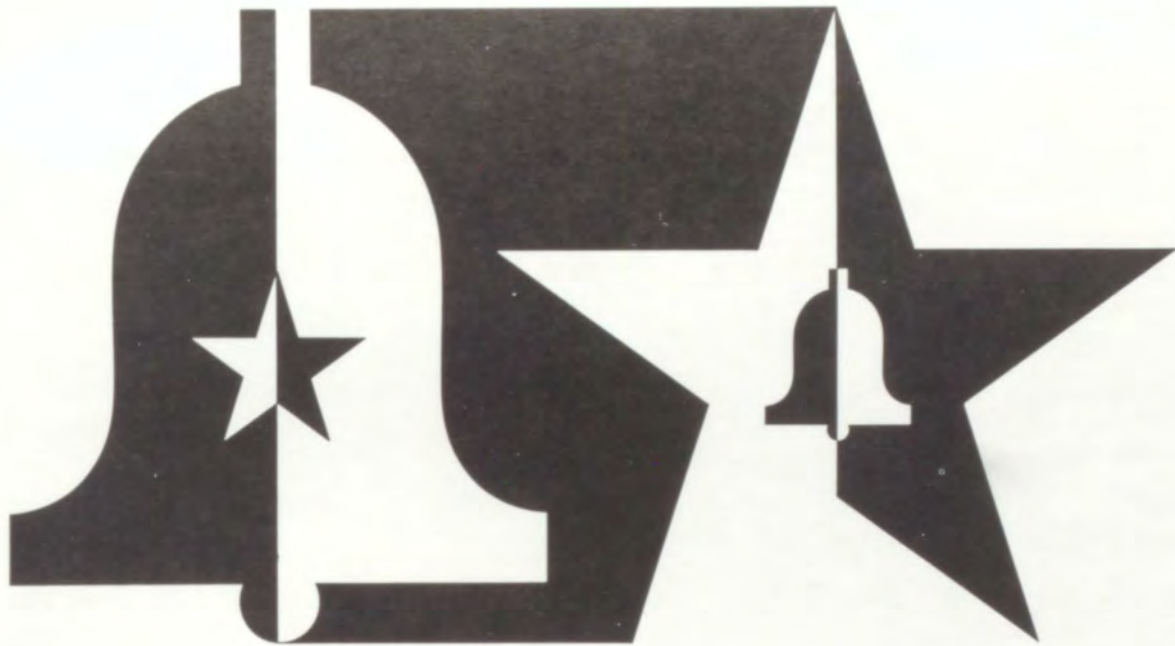

Ed Broberg, Photography

Walla Walla Union Bulletin

Lewis Studio, Photography

and to the administration, faculty and students of Wa-Hi for their patience and cooperation.

# BASEBALL: 1976

The Blue Devils of 1976 finished third in the Big Nine losing only one home game to the hands of the Richland Bombers in their final home tilt. The Devils' nemesis was the inability to take both ends of a double header on the road.

The Blue Devils battled Wenatchee for second place in the Big Nine standings until the final week of play. Wenatchee edged the Devils out of second place by one game and ended up placing second in State. Earlier in the season, the Devils swept a double header from the Panthers on the Devil Diamond.

The Blue Devil baseballers of 1977 should be in strong contention for the League title as the majority of the '76 eighteen man squad will return. However, seven graduating seniors played a major role in the Devils' third place finish. Gary Hanson (Team Capt.) struggled through an injury ridden season hitting three homeruns and collecting 15 RBI's. Dudley Crump hit .309 on the season and hit two grand slam homers. Murray Eggers played shortstop most of the season and proved to be the Devils' main threat on the bases. All three of these young men were invited to play in the Senior All-Star Game in Yakima. Other seniors lost through graduation are Charley McNulty, Don Nelson, Randy Hamada and Joe Sasser.

Leading hitter Rick Arland (.316) and only a sophomore will return to play third base for the Devils of '77. Along with Rick, Mike Helfer (Most Valuable Player—.302, 0.36 ERA and four HR's) Wa-Hi's winningest pitcher with a 6 - 1 record, will head the pitching staff. Don Burt, also a .300 hitter, will return and anchor the outfield.

People to watch in '77 are Dan Page, Jack McNulty, Greg Ponti, Pat Witt, and Pat McKeown. All of these boys should be tough. From the J.V. Team look for Steve Ford, Mark Sprengle, Dean Johnson and Jeff Foens to battle for starting spots.

Head Coach Joe Karp and Assistants Dale Steindorf and John LaLanne all agree that 1976 was a good year, but 1977 will be "A Very Good Year."

# GIRLS' TRACK 1976

Miss Sandra Saylor (Asst. Coach) and Mrs. Arleen Smith (Head Coach)

The girls' track team did well this year for the Blue Devils, despite an injury prone year. They finished their season with a record of four wins and two losses. The spikers tied for fifth at District and for 12th at State. The team progressed well in all areas. Miss Sandra Sayler, in her first year of coaching under Mrs. Arleen Smith, had excellent results in the field events. Jeanne Eggart took first place in State breaking both the school and District records with a throw of 143'.

Other school records broken by the tracksters include the 440 relay (Barb Cowan, Diane Meyers, Carol Kuhn, and Gina Grant) with a time of 51.5 and the mile relay (Carolyn Stone, Kelli Gilman, Suzy Robertson and Frances Tromp Van Holst) with a time of 4.21.4.

The Yamate Exchange students came to Walla Walla High School in March 1976. They attended classes with their host student and learned a little of our school and town. The exchange students taught an evening set of classes here ranging from Japanese paper-folding to Tea Ceremonies. In August the host students will meet the exchange students again, as they are going to Japan for the "second leg" of the exchange program. We of the Annual Staff send our best wishes and good luck with them, and possibly one day some year we'll exchange with Yamate High School again.

## MISS MC GOVERN RETIRES

Miss McGovern has taught in Walla Walla for 31 years. Starting in 1945 she taught English and Journalism for ten years here at Wa-Hi. From 1956-1958 she taught at Pi-Hi when Garrison was opened, and the ninth grades moved to the Junior Highs. Miss McGovern then returned, and the high school to teach English, Business English, and Typing. In 1964 she accepted the position of counselor. She is retiring from her counseling duties this year. Her help and advice has benefitted many students these past years. When asked her plans for retirement she said "I'm gonna live!" She plans on doing a lot of traveling, and will go to North Dakota this summer, to visit her father. This trip will be special as she will be celebrating her father's 90th birthday. She doesn't want to stop working altogether and would like to get into a less structured occupation.

Mrs. Casey, para-professional for the English & Driver's Ed. departments, is leaving Wa-Hi after eight years of hard work. Her friends in the departments feel that during her years here she has done a commendable job and been an excellent helper. She plans to spend more time with her husband and family, plus find time to play golf and travel. Wa-Hi will miss her, especially the English department, for she always brought Christmas "goodies" every year. Good luck Mrs. Casey, and remember Wa-Hi every time you sink a "hole-in-one."

Mrs. Garland, who graduated from Wa-Hi, came here in September 1969. She has been the "right hand man" for three vice-principals in her career. Her friends, of which there are many, say she is an excellent secretary and easy to work with. She holds the distinction of being the first secretary the counseling office has ever had. She relates well with students, plus is very polite and courteous. One friend, when asked what other job Mrs. Garland could do with expertise, thought the ideal position would be in public relations: "She would make a great P.R. man!" Another said she would make an excellent executive secretary. Her plans at the moment are to help her husband at the General Fire Company, doing the fine work she has done here as a secretary. Have fun next year and every year, Mrs. Garland. Good luck and best wishes on your new job, and remember the students and faculty of Wa-Hi will never forget you.

Mr. Waldron has been here at Wa-Hi since 1971 and has built up the library to its present state. He has accomplished this by enlarging the Audio-Visual section, starting the career center, Operation Guidance, in the library, established the Library Study Committee and has brought the Vocational File from a few pamphlets to the complete file we have now. His fellow librarians say that he has been great to work with, and has made the library more pleasant for the faculty and students of Wa-Hi. He is going to WWCC as a librarian. Goodbye Mr. Waldron, and good luck with your new job.

Mrs. Smith is leaving Wa-Hi after eleven years as Girl's P.E. instructor and as coach of the Volleyball, Basketball, and Track programs. She is going to move to Seattle with her husband, and doesn't plan to teach or coach for awhile. "I'm going to miss Wa-Hi," she said in a newspaper interview. Wa-Hi will miss you too, Mrs. Smith.

The annual "Sadie Hawkins" dance started off with a Miss Sadie and Lil' Abner contest. Other activities included arm wrestling, rootbeer chugging, juggling, pickle eating, and lemon eating contests.

"Moonshine Madness" was the theme of the boogie in the gym on Thursday night where Wendy Perrault, and Tom Robinson were chosen as Miss Sadie and Lil' Abner.

Everyone boogied to the sounds of "Harbor Street."

# SADIE HAWKINS

Just you and I  
 Alone . . . together on this night.  
 This night filled with memories  
 and dreams.  
 The moonlight shining upon our  
 faces . . .  
 The wind gently stirring our hair;  
 We turn and walk toward the music  
 That has suddenly filled the air . . .  
 Just you and I  
 Together . . .  
 On this night  
 To fill an eternity of dreams.

# SPRING FORMAL

"Just You and I" was the theme for the Spring Prom this year held April 24 in the WA-HI gym.

Everyone boogied to the tunes of "Redwood" and pictures were taken by Huie, Anthony and Gallagher.

The WA-HI Class Officers sponsored this years boogie, enabling all the students to go for a rockin' time.

# 84TH COMMENCEMENT

The Bicentennial eighty-fourth annual commencement exercise was held on the WA-HI campus, June 4, 1976. Four hundred eighty-two Seniors eagerly received their long awaited diplomas at 7:30 P.M.

Kathy Walker introduced the speakers who chose as their topic—1976: THE YEAR OF DECISION. Lisa Greenville spoke on "For Ourselves;" Karen Esary, "For the Class;" Richard Hoare, "For the Country;" and Clark Anderson, "For the Future."

Mr. Richard Neher presented the awards listed on these two pages. Mr. Walter Coyle, President of the School Board, and Franklin B. Hanson, Superintendent of our school district, presented the diplomas.

The highlight of the evening was when Mike Clark, president of WA-HI, sang a song he had written especially for the occasion. It was a memorable evening for all who attended.

Graduating Seniors omitted from Senior section: Diana Coronado, Martin Lee Dunn, Frances Mae Martin, Douglas R. Newby, Katherine Renie Pedersen, Donald Carl Pelo
